

Thurs. Night 4-10-69
10:00 P.M.

Dear Jimmy,

Pensons just left and we had a good bridge game. It was so nice hearing from you tonight. I think it would be wonderful if you spent the summer at home and I can see you can use all the time you can find in working on your thesis. It would be the best thing in the world for you not to have a job this summer and you certainly don't have to pay any board and room so don't worry about that.

Our yard looks real good right now and this week - and I am going to put weed and feed on it. That will kill any weeds and is good for the lawn.

Dad is going to Las Vegas Sunday

but he doesn't expect to be gone long. He has his new contact lens now and new glasses and he sees perfectly.

Last Saturday we drove up to the cabin. Ruthie & Jack and the children were up there looking at their lot. We all had hamburgers at the cafe.

I took care of Scott and Leslie one day last week. Scott also cried when he had to leave so we had to carry him out & throw him in the car just like we do with Ricky.

Mike still has to go to the hospital all the time and he had to stay over night last Monday. He seems to feel good but is quite fussy and of course is very spoiled now but I think he is going to get over this.

Mary and Mike had their first anniversary Easter Sunday. They stayed in Olympia and went to the church where they were married and went for a ride and were glad they had a free day.

Uncle Jim lost his license because for a month became pretty rough up a beer sale and now it is legal to do so. It really hurt Jim's business but he has only one more week to go now. Gary and Kat just moved in to the little house in Everett that Stella and Harold had built when they were first married.

I am going to look at the paper now and then go to bed. Thanks again for calling.

Love,

Mom.
